Re: Approval of the Wireless Interconnection and Reciprocal Compensation Agreement Negotiated by and between Piedmont Rural Telephone Cooperative, Inc. and Allied Wireless Communications Corporation Pursuant to Section 251(b)(5) of the Telecommunications Act of 1996

Dear Mr. McAlister:

Enclosed for filing are an original and two (2) copies along with an electronic copy of the Petition for Approval and the Wireless Interconnection and Reciprocal Compensation Agreement negotiated by and between Piedmont Rural Telephone Cooperative, Inc. ("Piedmont") and Allied Wireless Communications Corporation ("AWCC"). Both Parties respectfully request that the Agreement filed be reviewed and considered for approval at the Commission's earliest convenience.

John Staurulakis, Inc. is filing the enclosed petition and Agreement on behalf of Piedmont and would appreciate that you file the same and return the extra copy stamped "filed" in the enclosed self-addressed, stamped envelope provided.

Thank you for your assistance in this matter.

Sincerely,

Mark A. Ozanick, Staff Consultant – Regulatory & Policy

In Re: *Approval of the Wireless Interconnection and Reciprocal Compensation Agreement Negotiated by and between Piedmont Rural Telephone Cooperative, Inc. and Allied Wireless Communications Corporation, Pursuant to Sections 251(a) and 251(b)(5) of the Telecommunications Act of 1996*

**PETITION FOR APPROVAL OF THE WIRELESS INTERCONNECTION AND
RECIPROCAL COMPENSATION AGREEMENT NEGOTIATED BY AND
BETWEEN PIEDMONT RURAL TELEPHONE COOPERATIVE, INC. AND
ALLIED WIRELESS COMMUNICATIONS CORPORATION, PURSUANT TO
SECTIONS 251(A) AND 251(B)(5) OF THE TELECOMMUNICATIONS ACT OF
1996**

Piedmont Rural Telephone Cooperative, Inc. (“Piedmont”) respectfully files this request with the South Carolina Public Service Commission for approval of the attached Wireless Interconnection and Reciprocal Compensation Agreement (the “Agreement”). The Agreement was negotiated by and between Piedmont and Allied Wireless Communications Corporation (“AWCC”) pursuant to Sections 251 (a) & (b)(5) of the Telecommunications Act of 1996 (“the Act”). The Agreement provides for the continued interconnection and mutual exchange of traffic between the two companies’ networks, thereby facilitating AWCC’s provision of Commercial Mobile Radio Services (“CMRS”) to customers in the State of South Carolina. Piedmont, therefore, respectfully requests that the Commission act within the ninety (90) days specified by the Act and approve the Agreement.

In support of its request, Piedmont states the following:

THE PARTIES

1. Piedmont is an incumbent local exchange carrier authorized to provide local exchange service in the State of South Carolina.

2. AWCC is a telecommunications carrier that has been granted authority by the Federal Communications Commission to provide CMRS services in specific markets in the State of South Carolina.

THE AGREEMENT

3. Piedmont and AWCC have successfully negotiated the Agreement for the continued interconnection and mutual exchange of traffic between the two companies' networks. A copy of the Agreement is attached hereto and incorporated herein by reference.

4. Piedmont and AWCC have entered into this Agreement, pursuant to Sections 251(a) and 251(b)(5) of the Act.

5. Pursuant to Section 252(e) of the Act, Piedmont is submitting the Agreement to the South Carolina Public Service Commission for its consideration and approval.

COMPLIANCE WITH THE ACT

6. First, as required by Section 252(e)(2)(a)(i) of the Act, the Agreement does not discriminate against any other telecommunications carrier.

7. Second, the Agreement is consistent with the public interest, convenience, and necessity, as required by Section 252(e)(2)(a)(ii) of the Act.

APPROVAL OF THE AGREEMENT

8. In accordance with Section 252(e) of the Act, the South Carolina Public Service Commission is charged with approving or rejecting the Agreement between Piedmont and AWCC within ninety (90) days of its submission. The Act provides that the South Carolina

Public Service Commission may reject such Agreement only if it finds that the Agreement or any portion thereof discriminates against a telecommunications carrier not a party to the Agreement, or if it finds that the implementation of the Agreement or any portion thereof is not consistent with the public interest, convenience and necessity.

9. Piedmont and AWCC aver that the Agreement is consistent with the standards for approval.

10. Pursuant to Section 252(i) of the Act, once the Agreement is approved, Piedmont will make the entire Agreement available to any similarly situated CMRS provider.

11. Piedmont respectfully requests that the South Carolina Public Service Commission approve the Agreement negotiated between the parties without revision as expeditiously as possible consistent with the public interest.

This 24th day of August 2010.

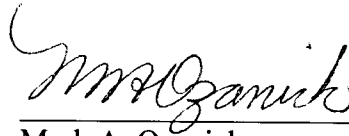

Respectfully submitted,

BY AND BETWEEN**

PIEDMONT RURAL TELEPHONE COOPERATIVE, INC.

AND

ALLIED WIRELESS COMMUNICATIONS CORPORATION

This Wireless Interconnection and Reciprocal Compensation Agreement ("Agreement") is effective this 1st day of August 2010 (the "Effective Date"), by and between Piedmont Rural Telephone Cooperative, Inc. ("Piedmont"), with offices at 201 Anderson Drive, P.O. Box 249, Laurens, SC 29360 and Allied Wireless Communications Corporation ("AWCC"), with offices at 1001 Technology Drive, Little Rock, AR 72223. Hereinafter individually referred to as a "Party" or collectively referred to as the "Parties."

WHEREAS, Piedmont is an incumbent Local Exchange Carrier in the State of South Carolina; and

WHEREAS, AWCC is a Commercial Mobile Radio Service provider of two-way mobile communications services operating within the State of South Carolina; and

WHEREAS, Piedmont and AWCC exchange calls between their networks and wish to establish Interconnection and Reciprocal Compensation arrangements for exchanging traffic.

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. CONDITIONS

- 1.1 The Agreement between the Parties shall consist of the Traffic Exchange Agreement by and between Piedmont and Verizon Wireless, effective January 1, 2006 ("Adopted Agreement"), and amended as noted herein. The Adopted Agreement is attached as **Appendix A**.
- 1.2 All services provided under this Agreement will be consistent with the orders, rules, and regulations of regulatory agencies or courts having jurisdiction over this Agreement, including but not limited to the Federal Communications Commission ("FCC"), the South Carolina Public Service Commission (the "Commission") and decisions of the Court of Appeals and the United States Supreme Court.

2. TERM

- 2.1 This Agreement shall become effective the date that it is signed by both Parties ("Effective Date"), and will have an initial term of two years and will remain in force

pursuant to the terms and conditions as set forth in Section 8 ("Term and Termination") of the Adopted Agreement.

3. PARTIES

- 3.1 Allied Wireless Communications Corporation or AWCC is hereby substituted as appropriate in the Adopted Agreement for Verizon Wireless or VZW respectively. Piedmont Rural Telephone Cooperative, Inc. shall remain as the other Party to the Agreement.

4. GENERAL

- 4.1 Other than as set forth herein, the Adopted Agreement remains unchanged and in full force and effect. In the event of a conflict between the terms of the Adopted Agreement and this Agreement, this Agreement will control.
- 4.2 This Agreement, executed by authorized representatives of Piedmont and AWCC, is made a part of and incorporates the terms and conditions of this Agreement and the Adopted Agreement.

5. AMENDMENTS

- 5.1 In Section 3.3 of the Adopted Agreement, the Operating Company Number ("OCN") listed is replaced with "119G."

- 5.2 Section 18.1.2 of the Adopted Agreement is replaced in its entirety with the following:

18.1.2 Allied Wireless Communications Corporation is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware, and has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, subject to any necessary regulatory approval.

- 5.3 Section 18.10 of the Adopted Agreement is replaced in its entirety with the following:

18.10 Notices given by one Party to the other Party under this Agreement shall be in writing and shall be: (i) delivered personally; (ii) delivered by express delivery service; or (iii) mailed, certified mail, return receipt to the following addresses of the Parties:

I. Article I

1. INTRODUCTION

This traffic exchange and compensation agreement ("Agreement") is effective as of the 1st day of January 2006 (the "Effective Date"), by and between Piedmont Rural Telephone Cooperative ("Piedmont RTC") with offices at 201 Anderson Drive, P.O. Box 249, Laurens, SC 29360-0249 and Celco Partnership and Verizon Wireless Power Partners Inc., collectively and individually d/b/a Verizon Wireless (collectively "VZW") each having offices at 180 Washington Valley Road, Bedminster, NJ 07921 for the FCC CMRS markets listed in Attachment A.

2. RECITALS

WHEREAS, Piedmont RTC is an incumbent Local Exchange Carrier in the State of South Carolina; and

WHEREAS, VZW is a Commercial Mobile Radio Service provider of two-way mobile communications services operating within the State of South Carolina; and

WHEREAS, The Parties acknowledge that Piedmont RTC is entitled to maintain that it is a rural telephone company (as defined in 47 U.S.C. 153) as provided by 47 U.S.C. 251(f). By entering into this Agreement, Piedmont RTC is not waiving its right to maintain that it is a rural telephone company and its right to maintain that it is exempt from § 251(c) under 47 U.S.C. 251 (f) of the Act; and

WHEREAS, Piedmont RTC and VZW exchange calls between their networks and wish to establish traffic exchange and compensation arrangements for exchanging traffic as specified below.

NOW, THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Piedmont RTC and VZW hereby agree as follows:

II. Article II

1. DEFINITIONS

Special meanings are given to common words in the telecommunications industry, and coined words and acronyms are common in the custom and usage in the industry. Words used in this contract are to be understood according to the custom and usage of the telecommunications industry, as an exception to the general rule of contract

interpretation that words are to be understood in their ordinary and popular sense. In addition to this rule of interpretation, the following terms used in this Agreement shall have the meanings as specified below:

- 1.1 "Act" means the Communications Act of 1934, as amended.
- 1.2 "As Defined in the Act", means as specifically defined by the Act, as may be interpreted from time to time by the FCC, the Commission, South Carolina state courts, or federal courts.
- 1.3 "As Described in the Act" means as described in or required by the Act, as may be interpreted from time to time by the FCC, the Commission, South Carolina state courts, or federal courts.
- 1.4 "Affiliate" means a person that (directly or indirectly) owns or controls, is owned or controlled by, or is under common ownership or control with, another person. For purposes of this paragraph, the term "own" means to own an equity interest (or the equivalent thereof) of more than 10 percent.
- 1.5 "Central Office Switch" means a switch used to provide Telecommunications Services, including, but not limited to:
 - (a) "End Office Switch" is a switch in which the subscriber station loops are terminated for connection to either lines or trunks. The subscriber receives terminating, switching, signaling, transmission, and related functions for a defined geographic area by means of an End Office Switch.
 - (b) "Remote End Office Switch" is a switch in which the subscriber station loops are terminated. The control equipment providing terminating, switching, signaling, transmission, and related functions would reside in a host office. Local switching capabilities may be resident in a Remote End Office Switch.
 - (c) "Host Office Switch" is a switch with centralized control over the functions of one or more Remote End Office Switches. A Host Office Switch can serve as an end office as well as providing services to other remote end offices requiring terminating, signaling, transmission, and related functions including local switching.
 - (d) "Tandem Office Switch" is a switching system that establishes trunk-to-trunk connections. Local tandems switch calls from one end office to another within the same geographic area, and access tandems switch traffic from host or end offices to and from an Interexchange Carrier. A Tandem Office Switch can provide host office or end office switching functions as well as the tandem functions.

Traffic Exchange Agreement between Piedmont RTC and VZW

- 1.6 "Commercial Mobile Radio Services" or "CMRS" means a radio communication service between mobile stations or receivers and land stations, or by mobile stations communicating among themselves that is provided for profit and that makes interconnected service available to the public or to such classes of eligible users as to be effectively available to a substantial portion of the public. 47 CFR § 20.
- 1.7 "Commission" means the South Carolina Public Service Commission.
- 1.8 "Extended Area Service" or "EAS" is as defined and specified in Piedmont RTC's then current General Subscriber Services Tariff.
- 1.9 "Effective Date" means the date first above written.
- 1.10 "FCC" means the Federal Communications Commission.
- 1.11 "Interconnection" for purposes of this Agreement is the linking of Piedmont RTC and VZW networks for the exchange of telecommunications traffic described in this Agreement.
- 1.12 "Interexchange Carrier" or "IXC" means a carrier, other than a CMRS carrier, that provides or carries, directly or indirectly, InterLATA Service or IntraLATA Toll Traffic.
- 1.13 "InterLATA Service" means telecommunications between a point located in a local access and transport area and a point located outside such area.
- 1.14 "IntraLATA Toll Traffic," means those station calls that originate and terminate within the same local access and transport area and that are carried outside Piedmont RTC's Local Service Area.
- 1.15 "Local Access and Transport Area" or "LATA" means a contiguous geographic area:
 - (a) Established before February 8, 1996, by a Bell operating company such that no exchange area includes points within more than 1 metropolitan statistical area, consolidated metropolitan statistical area, or State, except as expressly permitted under the AT&T Consent Decree; or
 - (b) Established or modified by a Bell operating company after February 8, 1996, and approved by the Commission.
- 1.16 "Local Service Area" means, for VZW, Major Trading Area Number 6 (Charlotte-Greensboro-Greenville-Raleigh) and for Piedmont RTC, its local calling area contained in Piedmont RTC's then current General Subscriber Services Tariff.

Traffic Exchange Agreement between Piedmont RTC and VZW

- 1.17 "Local Traffic" is defined for all purposes under this Agreement as Local Service Area traffic that is originated by a customer of one Party on that Party's network, and terminates to a customer of the other Party on the other Party's network within the same Major Trading Area (MTA). Local Traffic may be handled pursuant to an approved interconnection agreement between the originating Party and a carrier, which performs only a contractual transiting function for the originating Party in lieu of a direct connection between the Parties, provided that the service provided by VZW is a two-way mobile service. For purposes of determining originating and terminating points, the originating or terminating point for Piedmont RTC shall be the end office serving the calling or called party, and for VZW shall be the originating or terminating cell site location which services the calling or called party at the beginning of the call.
- 1.18 "Local Exchange Carrier" or "LEC" means any person that is engaged in the provision of telephone exchange service or exchange access. Such term does not include a person insofar as such person is engaged in the provision of a commercial mobile service under § 332(c) of the Act, except to the extent that the Federal Communications Commission finds that such service should be included in the definition of such term. 47 U.S.C. § 153(26).
- 1.19 "Major Trading Area" or "MTA" means the Major Trading Area designated by the FCC which is the service area based on the Rand McNally 1992 Commercial Atlas & Marketing Guide, 123rd edition, at pages 38-39, as further specified or modified by 47 C.F.R. § 24.202(a) or other applicable law.
- 1.20 "Mobile Station" means a radio-communication station capable of being moved and which ordinarily does move. 47 U.S.C. § 153(28)
- 1.21 "Non-Local Traffic" means all traffic that is not Local Traffic as defined in § 1.17 hereof and includes IntraLATA Toll Traffic.
- 1.22 "NPA" or the "Number Plan Area" also referred to as an "area code" refers to the three-digit code which precedes the NXX in a dialing sequence and identifies the general calling area within the North American Numbering Plan scope to which a call is routed to (*i.e.*, NPA/NXX-XXXX).
- 1.23 "NXX" means the three-digit code, which appears as the first three digits of a seven-digit telephone number within a valid NPA or area code.
- 1.24 "Party" means either Piedmont RTC or VZW, and "Parties" means Piedmont RTC and VZW.
- 1.25 "Point of Interconnection" or "POI" means the mutually agreed upon point between the Parties' respective networks where an originating Party's traffic is deemed to be handed off to the terminating Party's network.

Traffic Exchange Agreement between Piedmont RTC and VZW

- 1.26 "Rate Center" means the specific geographic point and corresponding geographic area that is associated with one or more NPA-NXX codes that have been assigned to an incumbent LEC for its provision of exchange services.
- 1.27 "Reciprocal Compensation" means an arrangement between two carriers in which each receives the same compensation rate from the other carrier for the transport and termination on each carrier's network of Local Traffic, as defined in § 1.17 above, that originates on the network facilities of the other carrier. Compensation, regardless of the Party that receives it, is symmetrical.
- 1.28 "Telecommunications" means the transmission, between or among points specified by the user, of information of the user's choosing, without change in the form or content of the information as sent and received. 47 U.S.C. § 153(43)
- 1.29 "Telecommunications Act" means the Communications Act of 1934, as amended.
- 1.30 "Telecommunications Carrier" means any provider of telecommunications services, except that such term does not include aggregators of telecommunications services (as defined in 47 U.S.C. § 226(a)(2)). A Telecommunications Carrier shall be treated as a common carrier under this chapter only to the extent that it is engaged in providing telecommunications services, except that the Federal Communications Commission shall determine whether the provision of fixed and mobile satellite service shall be treated as common carriage. 47 U.S.C. § 153(44)
- 1.31 "Telecommunications Services" means the offering of Telecommunications for a fee directly to the public, or to such classes of users as to be effectively available directly to the public, regardless of the facilities used.
- 1.32 "Termination" means the switching of Local Traffic at the terminating carrier's end office switch, or equivalent facility, and delivery of such traffic to the called Party's premises or mobile handset.
- 1.33 "Transiting Traffic" is traffic that originates from one provider's network, "transits" one or more other provider's network substantially unchanged, and terminates to yet another provider's network.
- 1.34 "Transport" means the transmission and any necessary tandem switching of Local Traffic subject to § 251(b)(5) of the Act from the Point of Interconnection between the two carriers to the terminating carrier's End Office Switch that directly serves the called party, or equivalent facility provided by a carrier other than an incumbent LEC.
- 1.35 "Type 2 Service" often referred to as a trunk side connection, is a service that involves interconnection to a telephone company end office (Type 2-B) or tandem (Type 2-A).

2.0 INTERPRETATION AND CONSTRUCTION

All references to Sections, Exhibits and Schedules shall be deemed to be references to Sections of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. The headings of the Sections and the terms are inserted for convenience of reference only and are not intended to be a part of or to affect the meaning of this Agreement. Unless the context shall otherwise require, any reference to any agreement, other instrument or other third party offering, guide or practice, statute, regulation, rule or tariff is for convenience of reference only and is not intended to be a part of or to affect the meaning of a rule or tariff as amended and supplemented from time-to-time (and, in the case of a statute, regulation, rule or tariff, to any successor provision).

3.0 SCOPE

3.1 This Agreement is intended, *inter alia*, to describe and enable specific traffic exchange and Reciprocal Compensation arrangements between the Parties. This Agreement does not obligate either Party to provide arrangements not specifically provided for herein.

3.2 This Agreement sets forth the terms, conditions, and rates under which the Parties agree to interconnect the CMRS network of VZW and the ILEC network of Piedmont RTC for purposes of exchanging Local Service Area traffic, provided that the service provided by VZW to its customer is a two-way mobile service as defined in 47 U.S.C. § 153(27). This Agreement does not cover VZW one-way paging service traffic or fixed wireless. VZW does not currently provide fixed wireless services in Piedmont RTC's Local Service Area. VZW agrees that it will provide Piedmont RTC prior notice of its intent to launch fixed wireless services in Piedmont RTC's Local Service Area. Upon Piedmont RTC's receipt of such notice, the Parties agree to negotiate an appropriate agreement or an Amendment to this Agreement, which will address the exchange of such traffic.

3.3 This Agreement relates to exchange of traffic between Piedmont RTC and VZW. VZW represents that it is a CMRS provider of telecommunications services to subscribers in MTA No. 6 (Charlotte-Greensboro-Greenville-Raleigh). Additions or changes to VZW's NPA/NXXs will be as listed in Telcordia's Local Exchange Routing Guide ("LERG") under Operating Company Number ("OCN") 6398.

3.4 This Agreement is limited to Piedmont RTC end user customers' traffic for which Piedmont RTC has tariff authority to carry. Piedmont RTC's NPA/NXX(s) are listed in the LERG under OCN 0538.

Traffic Exchange Agreement between Piedmont RTC and VZW

3.5 VZW currently has a direct connection at Piedmont RTC's Gray Court End Office Switch (GRCRSCXADS0). This direct connection was originally established when VZW had Type 1 numbering resources associated with the Gray Court rate center. The Parties agree to use best efforts to reestablish this direct connection at Piedmont RTC's Laurens Rural Tandem Office Switch (LRNSSCXB03T) as described in § 4.1 sixty (60) days after this Agreement is executed.

3.6 The Parties agree to work cooperatively to change the switching entity – homing arrangement for VZW's 864-871 NPA-NXX from Piedmont RTC's Laurens Rural Tandem Office Switch (LRNSSCXB03T) to BellSouth Telecommunications, Inc.'s Greenville, SC LATA tandem. In conjunction with this change, Piedmont RTC agrees to allow the CLLI code for its Laurens Rural Tandem Office Switch to be entered by VZW in the Originating Local field in the LERG. The Parties agree to use best efforts to complete this modification ninety (90) days after this Agreement is executed. The switching-entity – homing arrangements for any subsequent numbering resources acquired by VZW associated with Piedmont RTC's exchanges or EAS exchanges will be the BellSouth Greenville, SC LATA tandem.

3.7 Any amendment, modification, or supplement to this Agreement must be in writing and signed by an authorized representative of each Party.

4.0 SERVICE AGREEMENT

Description of Arrangements. This Agreement provides for the following interconnection and arrangements between the networks of Piedmont RTC and VZW. Additional arrangements that may be agreed to in the future will be delineated in Attachment B to this Agreement. An NPA/NXX assigned to VZW shall be treated as Local Service Area traffic and included in any EAS calling scope, or similar program, to the same extent as any other incumbent LEC's NPA/NXX in the same rate center provided that VZW assigns numbers from such NPA/NXX to customers within the Local Service Area of Piedmont RTC and VZW has network facilities to serve such customers.

4.1 Direct Interconnection at Laurens Rural: A Type 2A two-way direct trunk group will be implemented and provisioned between Piedmont RTC's Laurens Rural Tandem Office Switch (LRNSSCXB03T) and VZW's network, with the POI designated at a technically feasible point on Piedmont RTC's network. This trunk group is provisioned in connection with VZW's NPA/NXX(s) rate centered at Piedmont RTC's exchange(s) and/or EAS exchange(s). Applicable tariff charges for establishing and provisioning this trunk group are billed by Piedmont RTC to VZW as described in § 5.4.5 below.

4.1.1 Landline-to-Wireless: Local Service Area calls from Piedmont RTC's customers to VZW customers shall be routed from Piedmont RTC's Laurens Rural Tandem Office Switch to VZW via the Type 2A two-way direct trunk group.

Traffic Exchange Agreement between Piedmont RTC and VZW

4.1.2 Wireless-to-Landline: Local Service Area calls originated by VZW's customers within MTA No. 6 (Charlotte-Greensboro-Greenville-Raleigh) or customers of another CMRS provider that has entered into roaming arrangement with VZW, while roaming in MTA No. 6, to Piedmont RTC customers that can be reached *via* the connection to the Laurens Rural Tandem shall be routed from VZW's network *via* the Type 2A two-way direct trunk group to Piedmont RTC's Laurens Rural Tandem Office Switch for termination by Piedmont RTC to its customers, as appropriate.

4.2 Indirect Interconnection: To the extent that a Party and other area ILECs have entered into or may enter into contractual arrangements for the delivery of its originated traffic to the other Party's network (*i.e.* traffic that is not covered elsewhere in this Agreement) for termination to the terminating Party's customers, the terminating Party will accept this traffic subject to compensation arrangement as outlined in § 5 below. Once direct interconnection facilities are established, both Parties will use best efforts to route Local Service Area calls to the other Party directly except in the case of an emergency, temporary equipment failure, or blocking of existing direct interconnection facilities. Should either Party determine that the other Party is routing its originated traffic indirectly, the originating Party agrees to update its routing and translations tables to move such traffic to the direct interconnection facilities within five (5) business days. As a compromise, and in exchange for certain other considerations provided for in this Agreement, the Parties agree that to the extent Local Traffic is exchanged indirectly *via* a third party LEC ("Third Party Tandem Provider"), the originating Party is responsible for any transit fees imposed by the Third Party Tandem Provider. The Parties agree that this compromise will in no way prejudice any position either Party may take regarding financial responsibility for charges by Third Party Tandem Providers with respect to future agreements or regulatory or legislative proceedings.

This arrangement for indirect interconnection will be subject to renegotiation if by change of law or for any other reason the Third Party Tandem Provider no longer offers the transiting service.

4.3 Transit Traffic: The Parties acknowledge and agree that this Agreement is intended to govern the exchange of traffic to and from the Parties' respective networks only. Traffic that is originated on a network of a non-party Telecommunications Carrier ("Non-Party Carrier") and routed to a Party may be delivered to the other Party's network. In addition, traffic that is originated by a customer or roamer of a Party on that Party's network that is routed to the other Party may be delivered to a Non-Party Carrier. If a Non-Party Carrier objects to the delivery of such traffic, then either Party to this Agreement may request direction from the Commission, FCC, South Carolina state courts or federal courts. The transiting Party will continue to perform transiting functions for the other Party pending ruling from the Commission, FCC, South Carolina state courts or federal courts. The Party performing such transiting function will bill, as specified in § 5.3 below, the originating carrier (other Party or a Non-Party Carrier) the transiting charge. In order for the other Party or a Non-Party Carrier to bill the originating carrier (a Non-Party or other Party) for charges it is obligated to pay, the Party

performing the transiting function will provide, subject to availability, total minutes of transiting traffic terminating to the terminating carrier (Non-Party Carrier or the other Party). VZW shall not perform a transiting function on behalf of a Non-Party Carrier for traffic originated by a Non-Party Carrier that is delivered to Piedmont RTC.

5.0 COMPENSATION

5.1 Traffic Subject to Reciprocal Compensation.

Reciprocal Compensation is applicable for Transport and Termination of Local Traffic as defined in § 1.17 and is related to the exchange of traffic described in § 4 and in Attachment B, as applicable. For the purposes of billing compensation for Local Traffic, billed minutes will be based upon actual usage recorded and/or records/reports provided by the transiting carrier. Measured usage begins when the terminating recording switch receives answer supervision from the called end-user and ends when the terminating recording switch receives or sends disconnect (release message) supervision, whichever occurs first. The measured usage is aggregated at the end of the measurement cycle and rounded to a whole minute. Billing for Local Traffic shall be based on the aggregated measured usage less traffic recorded as local that is deemed Non-Local Traffic based on the default factor provided in § 5.4.3.

The rate for Reciprocal Compensation for traffic shall be \$0.015 per minute.

The Parties agree to bill each other for Local Traffic as described in this Agreement unless the Local Traffic exchanged between the Parties is balanced and falls within an agreed upon threshold ("Traffic Balance Threshold"). The Parties agree that for purposes of this Agreement, the Traffic Balance Threshold is reached when the Local Traffic exchanged, both directly and indirectly, falls between 55% / 45% in either the wireless-to-landline or landline-to-wireless direction. When the actual usage data for three (3) consecutive months indicates that the Local Traffic exchanged, both directly and indirectly, falls within the Traffic Balance Threshold, then either Party may provide the other Party a written request, along with verifiable information supporting such request, to eliminate billing for Reciprocal Compensation per minute. Upon written consent by the Party receiving the request, which shall not be withheld unreasonably, there will be no billing for Reciprocal Compensation on a going forward basis unless otherwise agreed to by both Parties, in writing. The Parties' agreement to eliminate billing for Reciprocal Compensation carries with it the precondition regarding the Traffic Balance Threshold discussed above. As such, the two points have been negotiated as one interrelated term containing specific rates and conditions, which are non-separable for purposes of § 16, hereof.

5.2 Traffic Subject to Switched Access Compensation.

Access charges apply to all Non-Local Traffic originated on VZW's network and delivered to Piedmont RTC for termination to its customers as described in § 4

Traffic Exchange Agreement between Piedmont RTC and VZW

and Attachment B, as applicable. VZW shall compensate Piedmont RTC at Piedmont RTC's applicable access tariff rates for all VZW-originated Non-Local Traffic only to the extent that such VZW-originated Non-Local Traffic is not handed off to an Interexchange Carrier for delivery to Piedmont RTC.

5.3 Traffic Subject to Transit Compensation.

As described in § 4.3, Transit Compensation is applicable to Transit Traffic that originates on one Party's network, traverses the other Party's network, and is terminated on a Non-Party Carrier's network.

The rate for Transiting Compensation shall be \$0.005 per minute.

5.4 Calculation of Payments and Billing.

5.4.1 VZW will compensate Piedmont RTC for Local and Non-Local Traffic delivered to Piedmont RTC for termination to its customers, as prescribed and at the rates provided in §§ 5.1 and 5.2, for Transit Traffic as prescribed and at the rates provided in § 5.3; and for facilities as prescribed in § 5.4.5. Piedmont RTC will compensate VZW for Local Traffic originated by Piedmont RTC customers on Piedmont RTC's network and delivered to VZW, for termination to its customers, as prescribed in § 4 and at the rate provided in § 5.1.

5.4.2 VZW shall prepare a monthly billing statement to Piedmont RTC, reflecting the calculation of Reciprocal Compensation due VZW. Piedmont RTC shall prepare a monthly billing statement to VZW, which will separately reflect the calculation of Reciprocal Compensation, Switched Access Compensation, Transit Compensation and total compensation due Piedmont RTC. Billing shall be based on actual measured usage, when available. To the extent VZW does not have the capability to bill based on actual measured usage, Piedmont RTC may provide the actual measured usage for use by VZW. If actual measured usage is not available, the Parties agree that usage from the third-party transit provider may be used for billing. Alternatively, if VZW does not measure or cannot obtain the landline-to-wireless usage data from Piedmont RTC or from the third-party transit provider, then VZW may bill using a factor that is based on each Party's proportion of originating Local Traffic to total Local Traffic exchanged between the Parties. This estimated percentage is referred to as the Traffic Factor and is listed below. The Parties agree to review the Traffic Factor on a periodic basis and, if warranted by the actual usage, revise the Traffic Factor appropriately.

- | | | |
|----|----------------------|-----|
| a) | Landline-to-Wireless | 30% |
| b) | Wireless-to-Landline | 70% |

5.4.3 Piedmont RTC will prepare its bill in accordance with its existing CABS / SECABS billing systems. VZW will prepare its bill in accordance with its

Traffic Exchange Agreement between Piedmont RTC and VZW

existing process for billing Reciprocal Compensation. The Parties will make an effort to conform to current and future OBF (CABS BOS) standards, insofar as is reasonable. In addition, the Parties will abide by all signaling standards as described in § 7.8.

5.4.4 Recognizing that Piedmont RTC has no way of measuring Non-Local Traffic, and in the event that VZW does not track the usage information required to identify the Non-Local Traffic originated or terminated by Piedmont RTC, both Parties agree to use a default factor of 0% as an estimate of Non-Local Traffic. The actual recorded usage shall be the basis for billing, when available and verifiable.

5.4.5 Where dedicated interconnection facilities are used for two-way traffic exchange between the Parties, the recurring charges for such facilities, excluding cost of new construction, provided and billed by Piedmont RTC shall be reduced by an agreed upon percentage representing the estimated or actual percentage of Local Traffic that is originated on Piedmont RTC's network by Piedmont RTC's customers and exchanged over such facilities, relative to the total traffic riding such facilities (*i.e.*, including Transiting Traffic). This estimated percentage is referred to as the Shared Facility Factor and is listed below. The Parties agree to review the Shared Facility Factor on a periodic basis and, if warranted by the actual usage, revise the Shared Facility Factor appropriately.

- a) Piedmont RTC Facility Factor 30%
- b) VZW Facility Factor 70%

5.4.6 Each party may request to inspect, during normal business hours, the records which are the basis for any monthly bill issued by the other Party and to request copies thereof provided that the requested records do not exceed 12 months in age from the date the monthly bill containing said record information was issued.

5.4.7 All invoices under this Agreement shall be sent to:

Verizon Wireless	Piedmont Rural Telephone Cooperative
Katrena Busby Verizon Wireless 8921 Research Drive Charlotte, NC 28262 704-510-6025	Piedmont Rural Telephone Cooperative 201 Anderson Drive P.O. Box 249 Laurens, SC 29360-0249 Attn: Accounts Payable

6.0 NOTICE OF CHANGES

If a Party contemplates a change in its network, which it believes will materially affect the inter-operability of its network with the other Party, the Party making the change shall provide at least ninety (90) days advance written notice of such change to the other Party, provided, however, that this provision shall not apply to changes necessitated by emergencies or other circumstances outside the control of the party modifying its network.

7.0 GENERAL RESPONSIBILITIES OF THE PARTIES

7.1 Each Party is individually responsible to provide facilities within its network which are necessary for routing, transporting and, consistent with § 5, measuring and billing traffic from the other Party's network and for delivering such traffic to the other Party's network in an acceptable industry standard format, and to terminate the traffic it receives in that acceptable industry standard format to the proper address on its network. The Parties are each solely responsible for participation in and compliance with national network plans, including The National Network Security Plan and The Emergency Preparedness Plan. Neither Party shall use any service related to or use any of the Services provided in this Agreement in any manner that prevents other persons from using their service or destroys the normal quality of service to other carriers or to either Party's customers, and subject to notice and a reasonable opportunity of the offending Party to cure any violation, either Party may discontinue or refuse service if the other Party violates this provision.

7.2 Each Party is solely responsible for the services it provides to its customers and to other Telecommunications Carriers.

7.3 Each Party is responsible for managing NXX codes assigned to it.

7.4 Each Party is responsible for obtaining Local Exchange Routing Guide ("LERG") listings of the Common Language Location Identifier ("CLLI") assigned to its switches.

7.5 Each Party agrees to adhere to the blocking requirements for interconnection (P.01) as provided in Telcordia documentation GR145 - Core Compatibility for Interconnection of a Wireless Services Provider and a Local Exchange Company Network.

7.6 SS7 Out of Band Signaling (CCS/SS7) shall be the signaling of choice for interconnecting trunks where technically feasible for both Parties. Use of a third-party provider of SS7 trunks for connecting VZW to the Piedmont RTC SS7 systems is permitted. Such connections will meet generally accepted industry technical standards. Each Party is responsible for its own SS7 signaling and therefore, neither Party will bill the other SS7 signaling charges.

7.7 Each Party shall be responsible for its own independent connections to the 911/E911 network.

7.8 All originating traffic shall contain basic call information within the Initial Address Message (IAM) such as the calling number, charged number, Generic Address Parameter Ported Dialed Number (GAPDN), Translated Called Number Indicator of Forward Call Indicators (FCI Bit-M) either the Jurisdictional Information Parameter (JIP) or the Originating Location Routing Number (LRN), and the carrier identification code (CIC) when applicable. The JIP or Originating LRN must be unique to the Mobile Switching Center (MSC). Altering of data parameters within the IAM shall not be permitted.

8.0 TERM AND TERMINATION

8.1 Subject to the provisions of § 14, the initial term of this Agreement shall be for a two-year term ("Term"), which shall commence on the Effective Date. This Agreement shall automatically renew for successive 6-month periods, unless not less than sixty (60) days prior to the end of the Term or any renewal term, either Party notifies the other Party of its intent to renegotiate a new agreement. In the event of such renegotiations, this Agreement shall remain in effect until such time that a new agreement becomes effective.

8.2 The Parties will work cooperatively to ensure there are no outstanding balances for the period prior to January 1, 2006.

8.3 The Parties agree that disputed and undisputed amounts due under this Agreement shall be handled as follows:

8.3.1 If any portion of an amount due to a Party (the "Billing Party") under this Agreement is subject to a bona fide dispute between the Parties, the Party billed (the "Non-Paying Party") shall, within thirty (30) days of its receipt of the invoice containing such disputed amount, give written notice to the Billing Party of the amounts it disputes ("Disputed Amounts") and include in such notice the specific details and reasons for disputing each item. The Non-Paying Party shall pay when due all undisputed amounts to the Billing Party. The Parties will work together in good faith to resolve issues relating to the disputed amounts. If the dispute is resolved such that payment of the disputed amount is required, whether for the original full amount or for the settlement amount, the Non-Paying Party shall pay the full disputed or settlement amounts with interest at the lesser of (i) one and one-half percent (1½%) per month or (ii) the highest rate of interest that may be charged under South Carolina applicable law. In addition, the Billing Party may initiate a complaint proceeding with the appropriate regulatory or judicial entity, if unpaid undisputed amounts become more than 90 days past due, provided the Billing Party gives an additional 30 days notice and opportunity to cure the default.

8.3.2 Any undisputed amounts not paid when due shall accrue interest from the date such amounts were due at the lesser of (i) one and one-half percent (1½%) per month or (ii) the highest rate of interest that may be charged under South Carolina applicable law.

8.3.3 Undisputed amounts shall be paid within thirty (30) days of receipt of invoice from the Billing Party.

8.4 Upon termination or expiration of this Agreement in accordance with this Section:

(a) Each Party shall comply immediately with its obligations as set forth above;

(b) Each Party shall promptly pay all amounts (including any late payment charges) owed under this Agreement;

(c) Each Party's indemnification obligations shall survive termination or expiration of this Agreement.

8.5 Either Party may terminate this Agreement in whole or in part in the event of a default of the other Party, provided, however, that the non-defaulting Party notifies the defaulting Party in writing of the alleged default and the defaulting Party does not implement mutually acceptable steps to remedy such alleged default within thirty (30) days after receipt of written notice thereof.

9.0 CANCELLATION CHARGES

Except as provided herein, no cancellation charges shall apply.

10.0 NON-SEVERABILITY

10.1 The services, arrangements, terms and conditions of this Agreement were mutually negotiated by the Parties as a total arrangement and are intended to be non-severable.

10.2 VZW recognizes that Piedmont RTC may at some time provision facilities in order to support exchange of traffic under this Agreement, and agrees that compensation for establishing and provisioning these facilities is non-severable from provisioning of such facilities.

11.0 INDEMNIFICATION

11.1 Each Party (the "Indemnifying Party") shall indemnify and hold harmless the other Party ("Indemnified Party") from and against loss, cost, claim liability, damage, and expense (including reasonable attorney's fees) to customers and other third parties for:

- (1) damage to tangible personal property or for personal injury proximately caused by the negligence or willful misconduct of the Indemnifying Party, its employees, agents or contractors;
- (2) claims for libel, slander, or infringement of copyright arising from the material transmitted over the Indemnified Party's facilities arising from the Indemnifying Party's own communications or the communications of such Indemnifying Party's customers; and
- (3) claims for infringement of patents arising from combining the Indemnified Party's facilities or services with, or the using of the Indemnified Party's services or facilities in connection with, facilities of the Indemnifying Party.

Notwithstanding this indemnification provision or any other provision in the Agreement, neither Party, nor its parent, subsidiaries, affiliates, agents, servants, or employees, shall be liable to the other for Consequential Damages (as defined in § 12.3).

11.2 The Indemnified Party will notify the Indemnifying Party promptly in writing of any claims, lawsuits, or demands by customers or other third parties for which the Indemnified Party alleges that the Indemnifying Party is responsible under this Section, and, if requested by the Indemnifying Party, will tender the defense of such claim, lawsuit or demand.

- (1) In the event the Indemnifying Party does not promptly assume or diligently pursue the defense of the tendered action, then the Indemnified Party may proceed to defend or settle said action and the Indemnifying Party shall hold harmless the Indemnified Party from any loss, cost liability, damage and expense.
- (2) In the event the Party otherwise entitled to indemnification from the other elects to decline such indemnification, then the Party making such an election may, at its own expense, assume defense and settlement of the claim, lawsuit or demand.
- (3) The Parties will cooperate in every reasonable manner with the defense or settlement of any claim, demand, or lawsuit.

12.0 LIMITATION OF LIABILITY

12.1 No liability shall attach to either Party, its parents, subsidiaries, affiliates, agents, servants, employees, officers, directors, or partners for damages arising from errors, mistakes, omissions, interruptions, or delays in the course of establishing, furnishing, rearranging, moving, terminating, changing, or providing or failing to provide services or facilities (including the obtaining or furnishing of information with respect thereof or with respect to users of the services or facilities) in the absence of gross negligence or willful misconduct.

12.2 Except as otherwise provided in § 11.0, no Party shall be liable to the other Party for any loss, defect or equipment failure caused by the conduct of the first Party, its agents, servants, contractors or others acting in aid or concert with that Party, except in the case of gross negligence or willful misconduct.

12.3 In no event shall either Party have any liability whatsoever to the other Party for any indirect, special, consequential, incidental or punitive damages, including but not limited to loss of anticipated profits or revenue or other economic loss in connection with or arising from anything said, omitted or done hereunder (collectively, "Consequential Damages"), even if the other Party has been advised of the possibility of such damages.

13.0 DISCLAIMER

EXCEPT AS OTHERWISE PROVIDED HEREIN, NEITHER PARTY MAKES ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR INTENDED OR PARTICULAR PURPOSE WITH RESPECT TO SERVICES PROVIDED HEREUNDER. ADDITIONALLY, NEITHER PARTY ASSUMES ANY RESPONSIBILITY WITH REGARD TO THE CORRECTNESS OF DATA OR INFORMATION SUPPLIED BY THE OTHER PARTY WHEN THIS DATA OR INFORMATION IS ACCESSED AND USED BY A THIRD-PARTY.

14.0 REGULATORY APPROVAL

The Parties understand and agree that this Agreement will be filed with the Commission, and to the extent required by FCC rules may thereafter be filed with the FCC. Each Party covenants and agrees to fully support approval of this Agreement by the Commission or the FCC under § 252(e) of the Act without modification. The Parties, however, reserve the right to seek regulatory relief and otherwise seek redress from each other regarding performance and implementation of this Agreement. In the event the Commission or FCC rejects this Agreement in whole or in part, the Parties agree to meet and negotiate in good faith to arrive at a mutually acceptable modification of the rejected portion(s). Further, this Agreement is subject to change, modification, or cancellation as

may be required by a regulatory authority or court in the exercise of its lawful jurisdiction.

The Parties agree that their entrance into this Agreement is without prejudice to any positions they may have taken previously, or may take in future, in any legislative, regulatory, judicial or other public forum addressing any matters, including matters related to the same types of arrangements covered in this Agreement.

15.0 CHANGE IN LAW

The Parties acknowledge that the respective rights and obligations of each Party as set forth in this Agreement are based on the text of the Act and the rules and regulations promulgated thereunder by the FCC and the Commission as of the Effective Date ("Applicable Rules"). In the event of any amendment to the Act, any effective legislative action or any effective regulatory or judicial order, rule, regulation, arbitration award, dispute resolution procedures under this Agreement or other legal action purporting to apply the provisions of the Act to the Parties or in which the FCC or the Commission makes a generic determination that is generally applicable which revises, modifies or reverses the Applicable Rules (individually and collectively, Amended Rules), either Party may, by providing written notice to the other party, require that the affected provisions of this Agreement be renegotiated in good faith and this Agreement shall be amended accordingly to reflect the pricing, terms and conditions of each such Amended Rules relating to any of the provisions in this Agreement.

16.0 MOST FAVORED NATION PROVISION

In accordance with § 252(i) of the Act and 47 C.F.R. § 51.809, VZW shall be entitled to adopt from Piedmont RTC any entire Interconnection/Compensation agreement provided by Piedmont RTC to any other CMRS provider that has been filed and approved by the Commission, for services described in such agreement, on the same terms and conditions. The term of the adopted agreement shall expire on the same date as set forth in the agreement that was adopted.

17.0 DISPUTE RESOLUTION

Except as provided under § 252 of the Act with respect to the approval of this Agreement by the Commission, the Parties desire to resolve disputes arising out of or relating to this Agreement without, to the extent possible, litigation. Accordingly, except for action seeking a temporary restraining order or an injunction related to the purposes of this Agreement, or suit to compel compliance with this dispute resolution process, the Parties agree to use the following dispute resolution procedures with respect to any controversy or claim arising out of or relating to this Agreement or its breach.

17.1 Informal Resolution of Disputes. At the written request of a Party, each Party will appoint a knowledgeable, responsible representative, empowered to resolve such dispute, to meet and negotiate in good faith to resolve any dispute arising out of or relating to this Agreement. The Parties intend that non-lawyer, business representatives conduct these negotiations. The location, format, frequency, duration, and conclusion of these discussions shall be left to the discretion of the representatives. Upon agreement, the representatives may utilize other alternative dispute resolution procedures such as mediation to assist in the negotiations. Discussions and correspondence among the representatives for purposes of these negotiations shall be treated as Confidential Information developed for purposes of settlement, exempt from discovery, and shall not be admissible in the arbitration described below or in any lawsuit without the concurrence of all Parties. Documents identified in or provided with such communications, which are not prepared for purposes of the negotiations, are not so exempted and may, if otherwise discoverable, be discovered or otherwise admissible, be admitted in evidence, in the arbitration or lawsuit.

17.2 Formal Dispute Resolution. If negotiations fail to produce an agreeable resolution within ninety (90) days, then either Party may proceed with any remedy available to it pursuant to law, equity or agency mechanisms; provided, that upon mutual agreement of the Parties such disputes may also be submitted to binding arbitration. In the case of an arbitration, each Party shall bear its own costs. The Parties shall equally split the fees of any mutually agreed upon arbitration procedure and the associated arbitrator.

17.3 Continuous Service. The Parties shall continue providing services to each other during the pendency of any dispute resolution procedure, and the Parties shall continue to perform their payment obligations including making payments in accordance with this Agreement.

18.0 MISCELLANEOUS

18.1 Authorization

18.1.1 Piedmont Rural Telephone Cooperative is a corporation duly organized, validly existing and in good standing under the laws of the State of South Carolina and has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, subject to any necessary regulatory approval.

18.1.2 Cellco Partnership d/b/a Verizon Wireless is a general partnership, which is duly organized, validly existing and in good standing under the laws of the State of Delaware. Verizon Wireless Power Partners Inc. d/b/a Verizon Wireless is a corporation, which is duly organized, validly existing and in good standing under the laws of the State of Delaware. Each has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, subject to any necessary regulatory approval.

18.2 Compliance. Each Party shall comply with all applicable federal, state, and local laws, rules, and regulations applicable to its performance under this Agreement. Nothing in this Agreement shall be construed as requiring or permitting either Party to contravene any mandatory requirement of federal or state law, or any regulations or orders adopted pursuant to such law.

18.3 Independent Contractors. Neither this Agreement, nor any actions taken by VZW or Piedmont RTC in compliance with this Agreement, shall be deemed to create an agency or joint venture relationship between VZW and Piedmont RTC, or any relationship other than that of co-carriers. Neither this Agreement, nor any actions taken by VZW or Piedmont RTC in compliance with this Agreement, shall create a contractual, agency, or any other type of relationship or third party liability between VZW and Piedmont RTC end users or others.

18.4 Force Majeure. Neither Party shall be liable for any delay or failure in performance of any part of this Agreement from any cause beyond its control and without its fault or negligence including, without limitation, acts of nature, acts of civil or military authority, government regulations, embargoes, epidemics, terrorist acts, riots, insurrections, fires, explosions, earthquakes, nuclear accidents, floods, work stoppages, equipment failure, power blackouts, volcanic action, other major environmental disturbances, unusually severe weather conditions or any other circumstances beyond the reasonable control and without fault or negligence of the Party affected. (collectively, a "Force Majeure Event"). If any Force Majeure condition occurs, the Party delayed or unable to perform shall give immediate notice to the other Party and shall take all reasonable steps to correct the Force Majeure condition. During the pendency of the Force Majeure, the duties of the Parties under this Agreement affected by the Force Majeure condition shall be abated and shall resume without liability thereafter.

18.5 Confidentiality.

18.5.1 Any information such as specifications, drawings, sketches, business information, forecasts, models, samples, data, computer programs and other software and documentation of one Party (a Disclosing Party) that is furnished or made available or otherwise disclosed to the other Party or any of its employees, contractors, or agents (its "Representatives" and with a Party, a "Receiving Party") pursuant to this Agreement ("Proprietary Information") shall be deemed the property of the Disclosing Party. Proprietary Information, if written, shall be clearly and conspicuously marked "Confidential" or "Proprietary" or other similar notice, and, if oral or visual, shall be confirmed in writing as confidential by the Disclosing Party to the Receiving Party within ten (10) days after disclosure. Unless Proprietary Information was previously known by the Receiving Party free of any obligation to keep it confidential, or has been or is subsequently made public by an act not attributable to the Receiving Party, or is explicitly agreed in writing not to be regarded as confidential, such information: (i) shall be held in confidence by each Receiving Party; (ii) shall be disclosed to only those persons who have a need for it in connection with the provision of services required to

fulfill this Agreement and shall be used by those persons only for such purposes; and (iii) may be used for other purposes only upon such terms and conditions as may be mutually agreed to in advance of such use in writing by the Parties. Notwithstanding the foregoing sentence, a Receiving Party shall be entitled to disclose or provide Proprietary Information as required by any governmental authority or applicable law, upon advice of counsel, only in accordance with § 18.5.2 of this Agreement.

18.5.2 If any Receiving Party is required by any governmental authority or by applicable law to disclose any Proprietary Information, then such Receiving Party shall provide the Disclosing Party with written notice of such requirement as soon as possible and prior to such disclosure. The Disclosing Party may then seek appropriate protective relief from all or part of such requirement. The Receiving Party shall use all commercially reasonable efforts to cooperate with the Disclosing Party in attempting to obtain any protective relief, which such Disclosing Party chooses to obtain.

18.5.3 In the event of the expiration or termination of this Agreement for any reason whatsoever, each Party shall return to the other Party or destroy all Proprietary Information and other documents, work papers and other material (including all copies thereof) obtained from the other Party in connection with this Agreement and shall use all reasonable efforts, including instructing its employees and others who have had access to such information, to keep confidential and not to use any such information, unless such information is now, or is hereafter disclosed, through no act, omission or fault of such Party, in any manner making it available to the general public.

18.6 Governing Law. This Agreement shall be governed by the domestic laws of the State of South Carolina without reference to conflict of law provisions. Notwithstanding the foregoing, the Parties may seek resolution of disputes under this Agreement by the FCC, the Commission, or the South Carolina state court, or federal court, as appropriate.

18.7 Taxes. Each Party purchasing services hereunder shall pay or otherwise be responsible for all federal, state, or local sales, use, excise, gross receipts, transaction or similar taxes, fees or surcharges levied against or upon such purchasing Party (or the providing Party when such providing Party is permitted to pass along to the purchasing Party such taxes, fees or surcharges), except for any tax on either Party's corporate existence, status or income. Whenever possible, these amounts shall be billed as a separate item on the invoice. To the extent a sale is claimed to be for resale tax exemption, the purchasing Party shall furnish the providing Party a proper resale tax exemption certificate as authorized or required by statute or regulation by the jurisdiction providing said resale tax exemption. Failure to timely provide such sale for resale tax exemption certificate will result in no exemption being available to the purchasing Party.

18.8 Assignment. This Agreement shall be binding upon the Parties and shall continue to be binding upon all such entities regardless of any subsequent change in their

Traffic Exchange Agreement between Piedmont RTC and VZW

ownership. Except as provided in this paragraph, neither Party may assign or transfer (whether by operation of law or otherwise) this Agreement (or any rights or obligations hereunder) to a third party without the prior written consent of the other Party which consent will not be unreasonably withheld; provided that either Party may assign this Agreement to a corporate Affiliate or an entity under its common control or an entity acquiring all or substantially all of its assets or equity by providing prior written notice to the other Party of such assignment or transfer. Any attempted assignment or transfer that is not permitted is void *ab initio*. Without limiting the generality of the foregoing, this Agreement shall be binding upon and shall inure to the benefit of the Parties' respective successors and assigns.

18.9 Non-Waiver. Failure of either Party to insist on performance of any term or condition of this Agreement or to exercise any right or privilege hereunder shall not be construed as a continuing or future waiver of such term, condition, right or privilege.

18.10 Notices. Notices given by one Party to the other Party under this Agreement shall be in writing and shall be: (i) delivered personally; (ii) delivered by express delivery service; (iii) mailed, certified mail, return receipt requested to the following addresses of the Parties:

To: VZW	To: Piedmont RTC
Verizon Wireless One Verizon Place Alpharetta, GA 30004 Attn: Director – Wireline Interconnection	Piedmont Rural Telephone Cooperative 201 Anderson Drive P.O. Box 249 Laurens, SC 29360-0249 Attn: James P. Wilder, CEO
With a copy to: Verizon Wireless 1300 I Street, NW, Suite 400 Washington, DC 20005 Attn: Regulatory Counsel, Interconnection	

Or to such other address as either Party shall designate by proper notice. Notices will be deemed given as of the earlier of: (i) the date of actual receipt; (ii) the next business day when notice is sent *via* express mail or personal delivery; (iii) three (3) days after mailing in the case of certified U.S. Mail.

18.11 Publicity and Use of Trademarks or Service Marks. Neither Party nor its subcontractors or agents shall use the other Party's trademarks, service marks, logos or other proprietary trade dress in any advertising, press releases, publicity matters or other promotional materials without such Party's prior written consent.

18.12 Joint Work Product. This Agreement is the joint work product of the Parties and has been negotiated by the Parties and their respective counsel and shall be fairly interpreted in accordance with its terms. In the event of any ambiguities, no inferences shall be drawn against either Party.

18.13 No Third Party Beneficiaries; Disclaimer of Agency. This Agreement is for the sole benefit of the Parties and their permitted assigns, and nothing herein expressed or implied shall create or be construed to create any third-party beneficiary rights hereunder. Except for provisions herein expressly authorizing a Party to act for another, nothing in this Agreement shall constitute a party as a legal representative or agent of the other Party; nor shall a Party have the right or authority to assume, create or incur any liability or any obligation of any kind, express or implied, against, in the name of, or on behalf of the other Party, unless otherwise expressly permitted by such other Party. Except as otherwise expressly provided in this Agreement, no party undertakes to perform any obligation of the other Party, whether regulatory or contractual, or to assume any responsibility for the management of the other Party's business.

18.14 No License. No license under patents, copyrights, or any other intellectual property right (other than the limited license to use consistent with the terms, conditions and restrictions of this Agreement) is granted by either Party, or shall be implied or arise by estoppel with respect to any transactions contemplated under this Agreement.

18.15 Technology Upgrades. Nothing in this Agreement shall limit either Parties' ability to upgrade its network through the incorporation of new equipment, new software or otherwise, provided it is to industry standards, and that the Party initiating the upgrade shall provide the other Party written notice at least ninety (90) days prior to the incorporation of any such upgrade in its network which will materially impact the other Party's service. Each Party shall be solely responsible for the cost and effort of accommodating such changes in its own network.

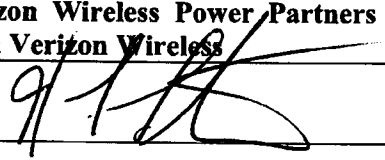

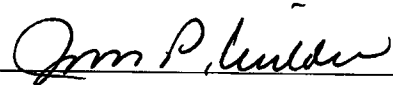

18.16 Foreign Based Services. Piedmont RTC represents, warrants, and covenants that no service performed by Piedmont RTC pursuant to this Agreement shall be provided, directed, controlled, supervised, or managed, and no data or VZW customer communication (voice or data) relating to any such service shall be stored or transmitted, at, in, or through, a site located outside of the United States without the advance written consent of VZW.

18.17 Entire Agreement. The terms contained in this Agreement and any Schedules, Exhibits, tariffs and other documents or instruments referred to herein are hereby incorporated into this Agreement by reference as if set forth fully herein, and constitute the entire agreement between the Parties with respect to the subject matter hereof, superseding all prior understandings, proposals and other communications, oral or written. Neither Party shall be bound by any preprinted terms additional to or different from those in this Agreement that may appear subsequently in the other Party's form documents, purchase orders, quotations, acknowledgments, invoices or other

Traffic Exchange Agreement between Piedmont RTC and VZW

communications. This Agreement may only be modified by a writing signed by an officer of each Party.
